

Muslin Underwear Hints

First of all we suggest that our stock of Muslin Underwear is not made in the ordinary factory way. We insist upon having only such as is made in large, light, clean and well ventilated rooms. Every garment must be accurately cut, well sewed and properly finished. As for styles, we keep in close touch with the largest factories and when a new style appears we have it while it is a new style. Another thing on which we pride ourselves is the giving our customers the best value for their money. Our Underwear is not cheap. There is nothing cheap about it. It is **low priced**. This is because we buy direct from the manufacturer.

SKIRTS Next to the outer garments, observing women see to it that their under-skirts are perfect in fit and shape, for upon this depends to a great extent the appearance of the gown itself. The newer skirts are carefully fitted over the hips all unnecessary fullness being done away with until the knees are reached; circular, gathered or plaited flounces with lace or embroidery add the desired finish. **Prices from 65 cents to \$7.50.**

CORSET COVERS—Here, too, a change is noticed a proper fit being essential to a perfect garment. Our styles of Corset Covers are many and varied, ranging from plain garments to those elaborately trimmed to meet the requirements of the more fastidious. **Prices from 25 cents to \$1.50.**

PRINCESS SLIPS OR CHEMISES—Time was when this garment was a very simple garment, with front and back cut exactly alike falling straight to the knees concealing entirely the lines of the figure. Today they are the most attractive articles of the modern woman's wardrobe and very necessary for the new style gowns of the present fashion. Cut to fit under the arms, has an embroidery or lace beading with ribbon draw string and partially fitted at the waist line. Lace or lace trimmed ruffles finish the skirt which comes as long as the ordinary long skirt. The demand at present is greater than the supply. At present our lines complete. **Prices from \$1.00 to \$5.00.**

NIGHT GOWNS—The artistic skill of the designer finds best expression in Night Gown fancies. Dainty short sleeve effects with low, round and square necks beautifully trimmed with lace or embroidery and the more substantial embroidery trimmed high neck models for the women practically inclined all charmingly beautiful. **Prices from 50 cents to \$4.00.**

DRAWERS that will be found both generous in size and graceful in style. They are fitted about the hips widening toward the knees; finished with ruffles full and wide of the same material or of thinner fabrics, sheer lawn or swiss, tucked and lace or embroidery trimmed. For every day wear are garments more plainly trimmed. **Prices from 25 cents to \$1.50.**

THEN, TOO, THERE IS EVERYTHING FOR THE CHILDREN.
